

We are delighted to return to singing this season with our Holiday Prelude Concert and an exciting new program of holiday music. Some highlights are:

***A Mediterranean Holiday*** - Embracing the music of Spain, France, Italy and Greece with four eclectic works from diverse cultures.

***Christmas Gloria*** - Dramatic organ, brass and voices evoke the angels singing their glorias on high to celebrate the wondrous birth of the child in the manger.

***Joy to the World*** - Dan Forrest's experience with Irish traditional music inspired him to create this marvelous arrangement of the much-loved carol that gives new meaning to the word joy!

***Holiday Film Festival*** - Three memorable songs from a trio of popular holiday movies are strung together in a spectacular choral medley.

***Winter Wonderland*** - Take a nostalgic trip down memory lane with this very special jazz influenced ballad arrangement of the old standard.

***Gettin' in the Mood for Christmas*** - The great Glenn Miller's iconic big-band classic "In the Mood" has been given new holiday lyrics reflecting the period, resulting in this swinging 1940s style boogie-woogie Christmas hit.

***Christ Is Born*** - Portions of traditional carols are interspersed with the jubilant message that "Christ is born and things will never be the same". This is music filled with the boundless excitement, energy and spirit of joy found only in Southern gospel!
